ALBERT McGEHEE,

Brother of W. G. McGehee, Dies
in Simpson.

The numerous relatives of Mr.
Albert McGehee will learn with re-
gret of his death; which occurred
at his home near Auburn, on the
20th ult.

Death was due to paralysis of
the throat and was quite sudden.
For several years he had been in
bad health, but he was only con-
fined to his bed a few days. Mr.
McGehee was a brother of Mr.
William G. McGehee, of Gracely,
and was about seventy years old.

He was a native of Virginia and
moved from Louisa county to Ken-
tucky about thirty years ago.

He was twice married and leaves
a wife and several children. One
of his sons, Mr. A. C. McGehee, is a
well known young business man of
Auburn, Ky.

ELOPED TO TENNESSEE.

Lafayette Couple Married at
Weaver's Store Wednesday.

Lafayette, Ky., Sept. 21.—Mr. E.
N. Roper and Miss Annie Lacy,
daughter of Mr. W. E. Lacy, eloped
to Tennessee and were married
Wednesday afternoon at 4 o'clock,
at Weaver's store, by Rev. J. E. King.
Parental objection was the cause of the elopement
and the matter was hastened by
the report that the young lady was
soon to be sent to a convent to pre-
vent the marriage.

Mrs. M. E. Phippen has sold
her hotel property here and will
leave for Murray, Ky., tomorrow,
where she will engage in the same
business.

GOOCH WINS.

Nominated in the Tri-Angular
Race in the Sixth.

Cincinnati, Sept. 24.—The Demo-
crats of the Sixth congressional
district, of Kentucky, consisting of
seven counties, held primaries to-
day to nominate a candidate for
congress. The candidates were
D. Linn Gooch, Congressman A. S.
Berry and J. L. Rhinock. The
votes received are: Gooch, 5,128;
Rhinock, 4,921; Berry, 4,665. This
makes Gooch the nominee. Berry
ran best in Campbell county, where
he lived. In Kenton county, Rhin-
ock's home, he received 2,075, only
eighteen more than Gooch received.
Besides in his own county, Berry
beat the other candidates in Trim-
ble, Carroll and Gallatin.

All sides continue to claim the
nomination and it will take the offi-
cial count to finally decide it.

A GREAT SPEECH.

Col. Hendricks Addresses a
Crowd of 800 Voters.

Holds Their Close Attention for
More Than Two Hours—Intro-
duced by W. R. Howell.

Hon. Jno. K. Hendricks spoke at
the Court House yesterday after-
noon to an enthusiastic crowd that
filled the building to its full ca-
pacity.

He was introduced to the audi-
ence by Mr. W. R. Howell and for
more than two hours held the
closest attention of the large crowd,
although many were compelled to
stand up.

The applause was frequent and
generous and at times vociferous.
The tenor of the speech was con-
ciliatory, and calculated to do
great good.

The first half hour was devoted
to a discussion of national questions,
—imperialism, trusts and national
extravagance. He then took
up state issues and showed at
length the part played in invalidat-
ing the election in Louisville last
year by Judge Evans, Gov. Bradley
and Judge S. B. Toney.

He described the tissue ballots in
the mountain counties and other
Republican frauds exposed in the
contest. His discussion of the
nomination of Mr. Goebel, the sub-
sequent canvass and the events
leading up to his assassination, was
in a spirit of sincerity, earnestness
and truthfulness that had a telling
effect upon people of all parties.

His arraignment of Taylor,
Powers and the other assassins of
the martyred Governor, was very
severe and evoked storms of ap-
plause.

He appealed to Democrats of all
shades of opinion to unite in up-
holding the laws and electing the
Democratic ticket.

Mr. Hendricks is an orator of
great force and ability and no
speaker of the campaign on either
side will have a more attentive au-
dience or one more thoroughly
pleased with the character of the
address delivered.

A number of ladies were in the
audience that heard the speech.

BARN BURNED.

Building Was Full of Fine Tobac-
co—No Insurance.

A barn belonging to Mr. Ben
Sizemore, of the Bainbridge neigh-
borhood, was destroyed by fire one
night last week, together with
several hundred sticks of fine to-
bacco. The building was a log
structure and the timbers caught
on fire while the weed was being
cured. Mr. Sizemore had no in-
surance and the loss falls heavily
upon him.

STRIKE SITUATION.

The Shenandoah Massacre the Only
Outlook So Far.

Shenandoah, Pa., Sept. 22.—No
violence of any moment has oc-
curred since the rioting of yester-
day afternoon, which resulted in
the killing of one person in the
streets of this place and the serious
injury of a score of others.
Troops began arriving soon after
daylight, and upward of 2,500 sol-
diers are here ready for any emer-
gency.

The collieries are idle, they hav-
ing been closed by the Reading
company at the request of Sheriff
Toole in order to avert trouble.

MINERS STILL CONFIDENT.

Wilkesbarre, Pa., Sept. 22.—
Everything is tranquil in the
Wyoming Valley. There has been
no disturbance and there will be
none. It is thought that if trouble
arises it will be in the Hazleton
region, where some of the collieries
are still being operated.

The United Mine Workers held
meetings in many places this eve-
ning. Sheriff Toole and his depu-
ties were condemned for their shoot-

ing at Shenandoah. United Mine Workers say Toole
was too hasty in firing and he proved
fire and he proved poor general
in directing his men.

FAIR OPENS.

The Elks Carnival Begins Today
For Five Days.

The Elks Fair and Carnival is
the event of events this week. The
fair opens to-day with flags and
banners flying everywhere and the
streets crowded with visitors.

The shows at Mercer Park are
all ready for business and the pro-
grams as heretofore announced
will be carried out from day to day.

Irish Farce Comedy.

The King of the Irish farce com-
edies "Maloney's Wedding" will be
presented at Holland's Opera House
to-morrow night by a swell seven-
cast. The funny complications of
Dan Maloney and Val Blatz in try-
ing to win the affections of "Widow
O'Connor" presents a combination
of amusing situations which cause
a roar from start to finish. The
company carries a band and or-
chestra and gives a street parade
which is unique in style.

A PERSONAL CAMPAIGN.

Announcement is made that it has been definitely decided that President McKinley will not receive delegations during this campaign on account of the situation in the Orient. Field-sticked! There is nothing in the Asiatic condition that need keep the Chief Executive from meeting his fellow citizens. It is his purpose to land for between Washington and Canton is intended to impress the people with the notion that the powerful brain and extraordinary leadership of William McKinley are necessities in the present crisis in national and international affairs. It will fail of its purpose. It is equally untrue to assume that the magic presence of the "Little Napoleon" is necessary to save Ohio. It is plain that the Administration managers are uneasy about this state, but the individuality of Mr. McKinley would not be likely to change a dozen votes. The President was brought to Cincinnati early in his Administration so that his presence might help to elect a legislative ticket that would be friendly to Senator Hanna. It will be remembered that the end desired was not accomplished, and Mr. Hanna had to go into the open market with his money and his Federal patronage to secure his election to the Senate by a beggarly "scratch." Nevertheless, the present programme seems to be to have the President do some "heavy standing round" in Canton—to pose as an example of national beneficence. It will be a poor performance, though. Mr. McKinley will not receive delegations. To do so might make it necessary to make speeches, and the letter of acceptance is the last hazard of that sort the Republican candidate should be required to take. Perhaps his goodness and greatness will be just as effective if he sits in a bay window at Canton and watches the crowds go by. It will be especially joyful to the working men as they pass by, carrying their "full dinner pails"—full of cold provisions, to be eaten at the hour when they are in greatest need of something to warm as well as to fill the playful fancies and tender sympathies of a susceptible people—Cincinnati Enquirer.

For Housekeepers.

It has been brought to the attention of this paper that a baking powder is offered for sale here which contains alum. Alum is unfit for food, producing indigestion, allum heart, sallow complexion, constipation and attendant ills. It is not fair to our people that such a substance disguised as a baking powder should be sold in order to allow a maker or a grocer a little more profit, regardless of the health of the family.

Good baking powder costs about forty-five cents a pound. Alum baking powder is sold for twenty-five cents a pound or less. The difference in cost between a good and wholesome baking powder and an alum powder would not exceed a dollar for a whole year's supply. People are very foolish to take the risk and suffer ill health for the sake of a few pennies, which after all are not saved.

Good baking powder is one of the most useful things in the household, and we seriously urge our readers to save their health, and money also in the end, by insisting upon having a good brand like Royal, Dr. Price's or Cleveland!

If requested to do so by our subscribers, we will publish the name of the Alum baking powder sold here.

PROBE TO THE BOTTOM.

There has been a great deal of talk about the election in Christian county in 1899, but so far but little action in the way of investigating charges and counter charges. Two grand juries have met and adjourned since these alleged frauds were committed. The KENTUCKIAN called the attention of both of these bodies to the charges made, and the court gave the last grand jury special instructions to investigate violations of the election law. The last two grand juries failed to make a report on these matters. Another grand jury is now in session and the court has instructed it to indict all persons guilty of violating the election laws of the State. It is to be hoped there will this time be no evasion of duty along this line. The charges to be investigated are not mere rumors. Last December the following signed statement appeared in an Earlington paper:

VOTE EXPLAINED.

Goebel Machine Threw Out Over 500 Votes Cast For Taylor.

Hopkinsville, Ky., Dec. 12.—I think in justice to Gen. W. S. Taylor and the public generally to make some explanation as to the cause of the comparatively small Republican majority in the recent election in Christian county. While there were 303 more votes cast in the recent election for Gov. Taylor than were cast in 1895 for the Hon. Wm. Bradley, Bradley's majority over Taylor is 567.

The following figures will show how Christian county's usual Republican majority was knifed in the wind-up of the recent election: Total number of votes received by Hon. Wm. S. Taylor in 1895, 3,637; Total number of votes received by the Hon. P. Wat Harlan in 1895, 2,415; Bradley's majority, 1,222; Total number of votes received by Gen. W. S. Taylor in 1899, 4,000; Total number of votes received by Hon. Wm. Goebel in 1899, 2,816.

Taylor's actual majority in the various precincts, 1,184; Total number of votes thrown out in large colored Republican precincts, 434; Taylor's majority in Hopkinsville precinct No. 1, thrown out, 95; Taylor's majority after canvassing returns, 655.

Very respectfully,
JOHN P. POWERS,
County Clerk and Chairman of Republican Campaign Committee.

Here is a direct charge signed by a county official and the presumption is that he has knowledge to back his serious charges. On the other hand, the election officers of Hopkinsville No. 1 have stated under oath that the same county official, and other county officials, entered their poll room during election hours, and interfered with the discharge of their duties and that other frauds and irregularities occurred sufficient to invalidate the election in that precinct.

Other election officers, notably those at Gordonfield, reported that efforts were made to intimidate them in the discharge of their duties.

Election officers in all the Hopkinsville precincts reported that they were not provided with their

Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. registration books as required by law, but with so called copies not duplicates of the originals, and that the names of numerous persons not legally entitled to register, some of whom were not permitted to vote, were added to the lists during the supplementary registration. All persons who registered illegally on alluvial swore falsely. These charges are offenses against the laws. It is also charged that voters were registered in precincts or wards in which they did not live and cast illegal votes, or were stopped by election officers in their attempts to do so.

These and other charges have been freely made, just as the charges of the county clerk have been made, openly and boldly and it is the duty of the grand jury to investigate both sides and see that the laws are enforced.

As one of the parties accused of fraud, the editor of this paper demands an investigation, by the grand jury, and Chairman Isaac Garrott, of the election board, unites in this demand.

Four negroes were lynched at Ponce de Leon, La., Thursday night. Fourteen negroes had been arrested on suspicion of being implicated in a robbery, and the four who were hanged were selected by the mob as the most guilty.

While Gov. Wells was in Idaho to meet Gov. Roosevelt, Judge O. W. Powers, of Salt Lake, a Democrat, was appointed United States Senator by President Nebeck, of the Senate. Judge Powers declined the appointment.

Jas. D. Baker, who was defeated for the gubernatorial nomination, has been constantly on the stump since the campaign opened, and is doing valiant service for the whole ticket. He has asked to be assigned to Republican strongholds and will be found in the thickest of the fight until victory is achieved in November. Kentucky has no truer Democrat than this little mountain warhorse.

The only trouble about Linn Goock is that he will dispute with Dave Smith the honor of being the ugliest man in Congress.

Marcus Daly, the Montana copper king, and leader of one of the Democratic factions in that state, is said to be dying of Bright's disease in a New York hotel, having just returned from abroad in search of health.

In view of the fact that the Republicans are trying to raise a boodle fund in Kentucky by an endless chain with one dollar as the "ante," it will be interesting to note that the postoffice department is after endless chains with a sharp stick that have "no other object than to add to the wealth of their promoters."

Allen W. Gullion, a student at Centre College from Carrollton, has just been appointed by Congress Albert S. Death of Mrs. Brackgroe.

Mrs. Bertha Brackgroe, wife of Emil W. Brackgroe, a well-known business man, died at her home on Ninth street Sunday morning, after a lingering and painful illness of consumption, aged about 27 years. She was a daughter of the late Alfred Bradley, and leaves a husband and three children. She was a member of the Cumberland Presbyterian church, and was buried in Hopewell Cemetery yesterday morning.

"The Princess of Trebizonde"
"The Princess of Trebizonde" was the magnet used by the Olympia Opera Company last night and it drew an immense crowd of people to the Casino. The opera is intensely funny from start to finish. Those who want a real good laugh should not miss "The Princess of Trebizonde." Mrs. Jarley's was works paled into insignificance as compared to those exhibited by the Olympia Opera company. The opera was admirably staged, the chorus was thoroughly drilled and the singing of the principal members was admirable as usual. Mr. Weston was a capital Calverton and sang with good effect a rollicking Irish song. Miss Kendall as Prince Raphael was just what she said Zazetta was—"just too sweet for anything." The work of Mr. Hicks as Tremolini was in keeping with all his former good work.—N. O. Item.

The series opened last night with a fine house to hear the Opera Pasha. The program for the rest of the week is as follows:
Olivette, tonight.
Fra Diavolo, Thursday.
Chimes of Normandy, Friday.
Mascot, Matinee.
Princess of Trebizonde, Saturday.

The remains were shipped to Crofton Friday, and the interment took place the same afternoon.

It is a little early for figures, but this estimate of the Second district will be found tolerably close to the right figures. Majorities for Bryan-Davies 1500; Henderson 1500; Union 1800; McLean 200; Webster 600; Hopkins 350. Majority for McKinley-Christian 750; Hancock 200. Total for Bryan 950. Total for McKinley 500. Bryan's majority 5000. This is 1200 votes less than Bryan's majority in 1896 and is a very conservative estimate, obtained by making allowances for all possible defections. In 1899 the Brown vote was only 989 in the District and fully half of these will vote the State ticket and practically all claim to be for Bryan, including Mr. Lynch himself. If these voters are recorded for Bryan, his majority should be at least 6,000.

The Home Life of China.

Laura B. Starr, who for several years resided in China, and who had great facilities for understanding the feminine side of Chinese life, contributes to the October Delinquent an article that throws much light on the home life of Chinese women. This article is illustrated with several authentic photographs of Chinese women of various social positions. The October number of The Delinquent, in addition to Miss Starr's article and the eighty or more sketches of present-day styles, which are prominent features of the magazine, contains twenty other valuable contributions. For thirty years it has been trusted by American women for guidance in home dressmaking and home management.

CIRCUIT COURT.

September Term Convenies With Judge Cook on the Bench.

Grand Jury Empaneled And Court Gives Way to the Speaking.

The fall term of Circuit Court convened yesterday with Judge Thos. P. Cook and Commonwealth's Attorney W. K. Howell in charge.

The grand jury was first empaneled, being made up as follows:

Jno. C. Boxley, J. B. Wood, W. H. Boyd, J. R. Caudle, W. J. Chiles, Walter H. Ford, W. W. Radford, Luther Wolfe, J. P. Sholar, W. E. Adcock, E. W. Walker, R. E. Cox.

Mr. W. W. Radford was made foreman.

Before instructing the grand jury Judge Cook opened court with prayer.

The instructions were lengthy and bore upon all the usual offenses. Particular stress was laid upon homicides, false swearing, subornation, violations of liquor laws, carrying concealed deadly weapons and the investigations of the election law offenses.

The court called attention to the charges of fraud growing out of the last election, and the near approach of another election, in which there might be further opportunities for this character of offenses.

"Maloney's Wedding."

The roaring musical farce comedy "Maloney's Wedding" rendered by a company of capable artists introducing new songs, dances medleys and funny climaxes will be presented at Holland's Opera House tomorrow night.

The comedy is infused with strong specialties and with provoking laughter caused by the antics of the various characters in the cast. The company carries its own band and orchestra and presents a novel dress street parade.

The Delicious Fragrance

from a hot Royal Baking Powder biscuit whets the appetite. The taste of such a biscuit—sweet, creamy, delicate and crispy—is a joy to the most fastidious.

ROYAL Baking Powder improves the flavor and adds to the healthfulness of all risen flour-foods. It renders the biscuit, bread and cake more digestible and nutritious. Royal Baking Powder makes hot breads wholesome. Food raised with Royal will not distress persons of delicate or enfeebled digestion, though eaten warm and fresh.

Imitation baking powders almost invariably contain alum. Alum makes the food unwholesome.

POPULATION OF STATES

No More Census Bulletins of City Population.

Washington, Sept. 21.—Director of the Census Merriam said today that the announcement of the population of cities is practically completed as no bulletin will be issued for a town under 25,000. The bureau, he said, probably will begin next week announcing the population of the States. The first will be Arkansas and thereafter they will be issued in alphabetical order, beginning with Alabama. It is thought that all of the states will be given out before Congress assembles.

The returns from the several states will also show the population of cities under 25,000.

The Saturday Evening Post.

For September 29 is a special double number. The plan of The Saturday Evening Post is to give each week a magazine of the best current literature that will be equal in literary quality and illustration to the monthlies. The cover of this double number is by Gibbs, and is in color. The opening feature is the first installment of Gilbert Parker's new serial, The Lane that Had No Turning. Those who have read this story pronounce it the strongest work that Mr. Parker has yet done.

ATTEMPTED SUICIDE.

Took Morphine and Found in Unconscious Condition.

Owensboro, Ky., Sept. 23.—James M. Breathitt attempted suicide here to-day by taking six and one-quarter grains of morphine. He took the drug at 11 a. m. and was discovered in his room at noon at his boarding-house in an unconscious condition, and it was not until 2 p. m. after an antidote had been injected into his blood and his stomach pumped out, that he was pronounced out of danger. Breathitt was at the speaking at the courthouse last night by Gov. Beckham and District Elector A. O. Stanley. He was drunk and became so noisy that the audience couldn't endure it, and there were cries of "put him out," and a crowd started for him. County Clerk Griffith got to him first and put him out of the house just in time to prevent Breathitt's roughly handling. The Messenger this morning mentioned the episode, and Breathitt said it was that which caused him to attempt to take his life; that he was not accustomed to being written up in such a style.

Breathitt came here from Hopkinsville several months ago and formed a partnership with J. T. Griffith and Geo. S. Parrish to prepare a transcript of titles to all the real estate in Davies county, and Breathitt has charge of the work. He is of a fine Christian county family, and is a nephew of Judge James Breathitt, the well-known Hopkinsville attorney. He had conducted himself well since he came here, and last night was his first bad conduct.

This is a seven month's record, beginning in February and completed in August.

The record of the company in regard to profits to its investors places it far in advance of all would-be rivals. Of the first months coupons (2000) sold, on the seventh redemption in August, only 485 were left on the books, which means that over 75 per cent. have been paid off at their full redemption value. Of the second month's stock it has redeemed over 20 per cent. or more than one-fifth of it. Of the 3rd, 4th, 5th and subsequent month's stock sold, not including the special redemption of the Hopkinsville branch, an average of 18 2-3 per cent. has been redeemed. Under the action of the Directors of the Company, a special redemption was granted to the Hopkinsville Branch of The Union Finance Company, for out of the first month's stock of 1500 coupons sold in August, 500 were redeemed in August. The Company also grants to those of the Hopkinsville Branch who buy stock during the month of September a numeral of 10. So that any purchasers who holds as many as ten coupons may be sure of at least one redemption. Again the Company has already paid in the redemption of coupons in the short space of its life \$15,412. An average of over \$2,200 per month. Of the 9360 sold in Henderson and Owensboro, the Company has called in, redeemed and canceled 2984, which is nearly 32 per cent. of the total on the Home Office books, and which makes a splendid average of 426 coupons for each of the seven months.

The leading features of a good investment Co. may be enumerated as follows: 1st. The integrity & ability of the men controlling it. 2nd. The contract or plan. In regard to the first the following testimonial of Mr. B. G. Witt, of Henderson, who is cashier of the Ohio Valley Banking & Trust Co., is submitted, endorsed by such people as Wyatt Ingram, Jr., of Farmer's Bank & Trust Co.; Clay & Clay, Yeaman & Yeaman: "Henderson, Ky., June 30, 1900, Messrs. Laffoon & Langley, Madisonville, Ky., Dear Sirs: Replying to your inquiries concerning the standing of The Union Finance Company of this place and its officials, we are pleased to state very positively that its rating here in financial circles is of the best character. Its directorate is composed of some of the most conservative and successful business men in the commercial activities of our city. Their control and management assures the business public honorable and fair dealing. Respect, B. G. Witt." With regard to the second feature, viz: "The Contract or Plan," The salient points of a good plan or contract may be stated. 1st. One which guarantees economy in its management. 2nd. One which yields the largest profits, consistent with safety. 3rd. One which most amply guards all of its investors. Touching the first point, The Union Finance is the only Company in the world which grants a redemption value on the first month. This is the highest possible guarantee to every investor of economy of management and gives every assurance that the expense of putting the business on the books will be kept at the minimum and it also secures a saving of time to the investor of from 3 to 6 months. The books of The Union Finance up to this date will show a total expense of less than 25c per coupon now on its books. Referring now to the 2nd point, The Union Finance pays a maximum value of 200 per cent for every dollar paid in. Then again the Reserve Fund of The Union Finance, that bulwark of safety to the certificate holders, there is a larger and more adequate provision made in the plan of The Union Finance than in that of any other Company in existence, for in addition to the 15 per cent of every dollar paid in, which goes immediately into the Reserve Fund. There is an additional clause which when a coupon is redeemed a dollar from the Redemption Fund may be added to the Reserve, also all fines, forfeitures and reinstatement fees belong to it, so that considering the fact that 65 per cent of every dollar, a larger Redemption Fund than is provided by most Companies, goes into the Redemption fund of this Company, it is clear to any unbiased mind that the plan of this company is more safely guarded than that of any other.

PROF. FERRELL.

Something of Interest Concerning An Old Hopkinsville Boy.

The Baptist Argus of this week contains an excellent picture of Prof. C. C. Ferrell, Ph. D., formerly of this city, but now of Mississippi. In speaking of Prof. Ferrell the Argus says:

"It gives us pleasure to present the face of an honored young Kentuckian who has forced his way to the front, Prof. Chiles Clinton Ferrell. Dr. Ferrell is a son of Major J. O. Ferrell, Principal of the Hopkinsville (Ky.) High School. He was born August 20, 1865, in South Carolina; graduated with distinction as M. A. from Vanderbilt University in 1886, and for more than four years was fellow and instructor in that institution. Then he went to Germany, studied there more than three years, receiving the degree of Doctor of Philosophy with distinction from University of Leipzig in 1892. His subject of doctor's dissertation was "Teutonic Antiquities in the Anglo-Saxon Genesis." In 1894 he spent the summer in Paris, being a private pupil of Paul Passy, one of the greatest authorities on Phonetics. Since then he has held the chair of Modern Languages in the University of Mississippi.

"Honors have been heaped upon Dr. Ferrell. He is a member of the State Historical Society of Mississippi, of the Modern Language Association of America, and one of the contributors to "Modern Language Notes," the official organ of the Association. He is the editor of Franz Grillparzer's "Sappho" for the International Modern Language series of Ginn & Co., a college text-book. He is author also of the "Daughter of the Confederacy, Her Life, Character and Writings." He has written several magazine articles and pamphlets. We have a promise from him of an article on "The Religion of the Goths."

NEW CENSUS

Will Be Taken To Decide The Number of Deaths.

Schools To Open and Business
Slowly Resuming In
Galveston.

Galveston, Tex., Sept. 19.—Normal conditions are fast being restored in Galveston. The work of clearing the streets of debris continues unabated, and all relief work is now thoroughly systematized. Several human bodies were found today. No attempt was made to identify them, and they were immediately cremated.

Efforts are being made to open the public schools on October 1, the date set before the storm, for their opening. Three of the school buildings can be made habitable at slight cost.

The losses to the life insurance companies is estimated at \$500,000. Most of those who carried old-line life policies escaped. The fraternal orders will lose heavily.

The most reliable information obtainable places the dead between 5,000 and 5,500.

A census bureau was established and placed in operation today. A mortuary bureau has also been opened, where relatives or friends are to make oath of the known deaths of persons lost in the storm. These bureaus will materially assist in a more accurate record of the loss of life.

At a meeting of the General Relief Committee today experts were before the committee. No one would undertake the job of removing the city's debris on contract, as all state it would be impossible to make a definite estimate. The nearest estimate expert wreckers will make is that it will take 2,000 men ninety days to clear away the debris and get out all the bodies, and that this will cost a half million dollars.

PURSUED THE TRUSTS,

Said Judge Barker to Jurors—De-
Fined Law.

Louisville, Ky., September 18.—Judge Henry S. Barker, in the Criminal Court this morning, announced that he wished every effort of the tribunal directed against unlawful combinations. The occasion was the impending and charging of the September grand jury, the first to sit for three months. Judge Barker told the jury that he wished public gambling suppressed.

He then read the statute in regard to trusts and explained it fully. He said that he did not wish to intimidate or threaten manufacturers, but that he wished the grand jury to return indictments in all cases where it has been shown that there has been an unlawful conspiracy to prevent the free and easy working of competition and the regulation of prices thereby. Judge Barker also called attention to a publication in a paper which charged a certain high city official, not named, with receiving money to afford protection to gambling.

ON MIDWAY.

Numerous New Features To Be
Added to Attractions.

The Elks Fair and Carnival promises to have attractions and shows of all kinds. Besides its numerous free performances, there will be a Midway well worth seeing, some of the features of which follow:

The Oriental Palace and Congress of Beauties, dazzling and dancing girls from the far east in water costumes; Bosco the snake eater; an electric theater, producing Lotta, mysterious electric lady, Zharinda in fire and electric dances; war pictures, battles of English and Boers; Vandell Theater; Hogback, Jr.; Lybramia the Aerial Queen; Congress of Melody Singers and Cake Walkers. Warren's famous Military band will give concerts daily. The grandest display of fireworks ever seen in Kentucky will be Thursday night.

The life of the business woman is not easy. Usually it is a monotonous routine of work, often aggravated by the ill temper or stupidity of others. And when the physical condition of the woman keeps her in constant suffering, it makes her life a hard one.

So many women have found relief from this peculiar trouble by the use of Dr. Pierce's Favorite Prescription, that it seems almost criminal to neglect the opportunity of a complete cure offered by the use of this medicine.

You are invited to consult Dr. R. V. Pierce, of Buffalo, N. Y., either personally or by letter free of charge. If your case is severe or others have failed to reach it, do not hesitate to write to or see Dr. Pierce. Your letter will be read in private, its contents treated as a secret confidence, and an answer promptly returned in a plain envelope bearing no printing upon it. Write without fear and without fee.

I had been a great sufferer from this peculiar trouble for many years. I was advised to try Dr. Pierce's Favorite Prescription, and I did so. I took four bottles of Dr. Pierce's Favorite Prescription, and I am now a well and happy woman. I have also used Dr. Pierce's Golden Medical Discovery for alteration of the throat with good results and half of one bottle cured my throat when I could scarcely swallow.

The permanent benefit to health from the timely use of Dr. Pierce's Pellets is testified to by thousands of women. They regulate the stomach, liver and bowels. Sold by all medicine dealers.
